

# MOVING FORWARD

AS JAPAN'S PRIMARY SUPPLIER OF HEALTH RESOURCES

---

## PROFILE

Suzuken is Japan's leading provider of pharmaceuticals, diagnostic reagents, medical equipment and related healthcare products. Services are provided and products are delivered by Suzuken and its 22 subsidiaries and affiliates with 7,000 talented associates. We serve approximately 97,000 healthcare institutions and dispensing pharmacies nationally. To become Japan's premier healthcare solutions provider, we are reaching beyond our core pharmaceutical wholesaling business to offer innovative services and healthcare information management systems. Our group companies are also active in many fields of healthcare. Examples range from the manufacture of pharmaceuticals, including production outsourced from other companies, to the production of pharmaceutical marketing programs for distribution over the Suzuken Medical Satellite Channel. Suzuken is uniquely positioned to offer healthcare providers and products developers creative solutions in today's complex healthcare environment.
