### **Considerations and Policies Regarding Minimum Stock Trading Unit Reductions**

#### 1. Considerations relating to Minimum Stock Trading Unit Reductions

We believe it is important to encourage investors to hold our stock on a long-term and stable basis and to expand our investor base. To achieve this, we recognize that decreasing our minimum stock trading unit is a useful measure to reach out to individual investors.

#### 2. Policies relating to Minimum Stock Trading Unit Reductions

We will consider decreasing our minimum stock trading unit with an emphasis on investor value, comprehensively taking into account various factors, such as stock market trends following the introduction of the electronic share certificate system, stock prices, demand and supply, and the costs and benefits of decreasing our minimum stock trading unit.
