## **EM Systems and BML to Form Joint Venture to Develop Electronic Patient Chart Systems**

On November 6, 2009, EM Systems Co., Ltd. (President and Representative Director: Kozo Kunimitsu; EM Systems) and BML, INC. announced an agreement to establish a joint venture to engage in the development of electronic patient chart systems. The joint venture was established and commenced business operations today.

### **1. Background to Establishment of Joint Venture**

EM Systems and BML agreed that they will make use of the experience and expertise related to the various medical systems that they own, and cooperate in the establishment of a joint venture for the purpose of developing electronic patient chart systems.

As a result, EM Systems and BML should be able to extend their product lineups.

### **2. Overview of Joint Venture to be Established**

(1) Company name: Medefakuto Co., Ltd.

(2) Address: 5-7-1 Shiba, Minato-ku, Tokyo, Japan

(3) Representative: Akira Okada, President and Representative Director  
Kazuhiro Yamashita, Vice President and Representative Director

(4) Business activities: The development of electronic patient chart systems

(5) Capital: ¥45 million

(6) Established: February 1, 2010

(7) Fiscal year-end: March 31

(8) Investment ratios of EM Systems and BML: 50%; 50%

### 3. Business Outlook

The establishment of this joint venture will have minimal impact on BML's business results for the current fiscal year because the new products are scheduled to be launched from the next fiscal year.
